We aim to provide Health Services for all people, regardless of race or language. In order to do this, we need to know more about the population we are serving. This will help us to provide the right type of healthcare services for all our patients. It will also help us provide the right number of language interpreters, for example. The personal information you give us on this form will not be shared with any other organisation, including other Government departments such as the Home Office or Inland Revenue. If you have any concerns about the use of the data, please talk to a member of staff at the practice.
